AI Overview

Ibuprofen 200mg liquid gel capsules are **fast-acting NSAIDs used to relieve headaches, muscle aches, menstrual cramps, and reduce fever**. The liquid formulation allows the medication to absorb quickly into your bloodstream, often providing pain relief within 30 to 60 minutes. Brunet +2

Dosage and Usage

- **Adults and children 12 years and older:** Take 1 capsule every 4 to 6 hours. If symptoms do not respond to a single capsule, you may take 2 capsules.
- **Maximum dose:** Do not exceed 6 capsules in a 24-hour period unless directed by a doctor.
- **Directions:** Take with food or milk if you experience stomach upset, and swallow the capsule whole without chewing or crushing it. Brunet +4

Important Safety Information

- **Drug Interactions:** Consult a doctor or pharmacist before taking if you are on daily low-dose ASA (81–325 mg), as ibuprofen may interfere with the heart-protective benefits of aspirin. Drug and Health Product Re...
- **Pre-existing Conditions:** Speak with a healthcare provider first if you have a history of stomach ulcers, bleeding problems, high blood pressure, heart disease, or kidney/liver disease. London Drugs

Where to Buy in Montreal

You can purchase these over the counter at local pharmacies and retailers across the city:

- **Jean Coutu:** Check Jean Coutu for store inventory and medication details.
- **Brunet:** View product specs on Brunet.
- **Pharmacies:** Major chains like Pharmaprix and Walmart carry popular name brands like Advil Liqui-Gels. Walmart +2

Are you looking for a specific brand (like Advil Liqui-Gels), or would you like me to help you find the **nearest pharmacy location** in Montreal to pick up your medication?
